2nd Today: Race Relations-Racism is a sin—a barrier to realizing God's vision. Racism hurts all. It violates the image of God in us. Racism is present throughout our society and in our church. All societies suffer from the debilitating effects of racism. Many of us do not understand racism, its effects, and how to undo it. The Ministry of Race Relations is mandated by synod "to design, organize, and implement programs that will assist the denomination, churches, and members in eliminating the causes and effects of racism within the body of believers and throughout the world."
