2nd Today: Calvin Theological Seminary—Calvin Theological Seminary has been challenging and equipping ministers since 1876. Calvin Seminary offers theological training and continuing education for CRC ministry positions around the world, supporting congregational pastors, evangelists, and church planters, ministers of education, youth pastors, and specialized ministries not requiring ordination. A Calvin education equips students to think deeply, to act justly, and to live wholeheartedly as Christ's agents of renewal in the world. All Calvin ministry shares are used for tuition grants for students who are members of the CRCNA.
